Employment history

Corporate Solutions group

Position: Internship

Duration: 01.07.2023 - 01.12.2023

Location: Tashkent uzbekistan

During my internship as a Full Stack Developer with the Corporate Solutions group, I gained valuable experience and made significant contributions to various projects. My role involved working on both front-end and back-end development, leveraging my skills in Next.js, React.js, PHP, and Laravel.
