

Profile Image

Sirojiddin Usmonov

Junior Machine Learning & AI Engineer

Uzbekistan

Uzbek, Russian, English

Profile Completion: 100%

Employment history

KPI.com

Position: Data science Intern

Duration: 01.02.2024 - 19.12.2025

Location: Uzbekistan

As a Data Scientist at KPI.com, I specialize in managing and analyzing data with libraries like Pandas and NumPy, and I've worked with FastAPI. I'm product owner of a multilingual spellchecker (Uzbek, Russian, English) using classification algorithm (Naive Bayes model). Additionally, I've expanded my skill set by learning about ChatGPT fine-tuning, enhancing my teamwork abilities, and Git version control.

Education

New Uzbekistan University

Degree: Bachelor

Duration: 01.10.2021 - 01.06.2024

Faculty: Software Engineering
