I am Isomiddin Yusupov, a professional with experience in the pharmaceutical and office management fields since 2018. I started my career as a pharmacy sales assistant and progressed to the role of office manager through dedication and continuous learning. I am highly motivated, fast-learning, and open to innovation in every field I work in. I have strong skills in computer usage, internet navigation, and office software (such as MS Word, Excel, PowerPoint). I am reliable, responsible, and have excellent time management skills. I thrive in team environments and am committed to personal and professional growth.

Education

Andijon mashinasozlik Instituti iqtisodiyot

Degree: Bakalavr

Duration: 01.09.2019 - 01.08.2024

Faculty: Iqtisodiyot

I began my education in the pharmaceutical field, graduating from Andijan Medical College in 2018, where I specialized in pharmacy. During this time, I gained strong theoretical and practical knowledge in

pharmacology, pharmaceutical products, and patient care.

From 2019 to 2024, I studied at the Andijan Institute of Mechanical Engineering, majoring in Economics of Industries and Sectors. Throughout this program, I developed expertise in accounting, management, marketing, and economic analysis.

This dual background in pharmacy and economics allows me to be a flexible and well-rounded professional, capable of contributing to the healthcare, trade, and management sectors.
